For Sachiko Ito
(who had been homeless, one winter)

Woke up again snow
blankets courtyard
dead silence.

Snow melts,
she is found.

Puritanical Bohemian Blues

Draw some pretty flowers,
Draw some handsome portrait
Draw some cute kids

Photo the pretty clothes
Photo the cute guy
Or Not

We are in a Big War

We outsourced
our only resources ...
Body count

What is my gift?
Keeping him happy
Be a community charitable artist

Which means narrowing down the choices
Of future partners

Be my own artistic endeavor

Be the point woman
Of ridicule
Scarlet Letters pressed
On my heart
